MEETINGS ON MINISTRY AND OVERSIGHT.

The Meetings which have been known as Meetings of Ministers and Elders are henceforth to be constituted as hereafter mentioned under the designation of "Meetings on Ministry and Oversight." Recorded Ministers and appointed Elders are members of such Meetings.

There should also be appointed in each Monthly Meeting, other suitable Friends as members of these Meetings, who may be considered likely to prove helpful and to be themselves helped by association therewith. It being important that these Meetings should consist, as far as practicable, of individuals of varied ages, gifts, and qualifications, care should be taken in making appointments in connection therewith, not to limit the selection to Friends in later life; those being appointed who, whether older or younger, give evidence of love to Christ and of attachment to the principles we profess. The names of these are to be brought forward as in the case of the appointment of Elders, and the list shall be revised at least once in two years. They shall be in all respects members of the Meetings on Ministry and Oversight, but they are not to be considered as thereby having liberty to travel as Ministers. This appointment does not prevent them from being recognized as Ministers or Elders, if at any time their gifts may seem to warrant such proceeding.

DUTIES OF MEETINGS ON MINISTRY AND OVERSIGHT.

It is recommended that the following paragraphs be read at least once a year in each Preparative and Quarterly Meeting on Ministry and Oversight:—

The subjects specified in the following paragraphs are especially commended to the care of Meetings on Ministry and Oversight; with any others which belong to the teaching and shepherding of the flock, viz:—

The religious condition of the particular congregations within their limits, and whether the Meetings for worship are held to edification and to the honor of God.

The counsel, encouragement and help of those engaged in the work of the Ministry.

The making of arrangements for attending, from time to time, the particular Meetings within their limits, especially those in which little or no ministry is exercised.

The visiting of the infirm, the sick and the afflicted. The spiritual care of the children and young people who attend our Meetings, and the promotion of their religious and scriptural instruction.

The propagation of the Gospel as way may open.

QUERIES OF MEETINGS ON MINISTRY AND OVERSIGHT.

The four introductory Queries are to be read and weightily considered but not answered.

The other three are to be answered in writing to the Quarterly Meeting on Ministry and Oversight, and, in the Spring, to the Yearly Meeting on Ministry and Oversight.

INTRODUCTORY QUERIES.

1. Are you engaged to watch unto prayer that you may yourselves be preserved in humble dependence upon Christ, and in an earnest, religious exercise for the conversion of sinners, and for the edifying of the body in the faith and love of the Gospel?

2. Are you concerned faithfully to occupy the spiritual gifts entrusted to you, to the honor of God?

3. Are your lives and conversation clean and blameless?

4. Are your Ministers in the exercise of their gifts careful to wait for Divine ability, and are they thereby preserved from being burdensome?

QUERIES TO BE ANSWERED.

1. Are you diligent in attending your Meetings for worship and discipline, and careful to promote the attendance of your families?

2. Are you in unity one with another, and with the Meetings to which you belong, harmoniously laboring together in gathering unto Christ?

3. Are you engaged frequently in searching the Holy Scriptures, prayerfully seeking a right understanding of their contents under the enlightening influence of the Holy Spirit; and are you careful not to misquote or misapply them?

The following advice should be read after the reading and consideration of the Queries and Answers.

It is especially recommended that Ministers and Elders watch over one another for good, that they help those that are young in the Ministry, discouraging forward spirits that run into words without life and power, advising against affectation of tones and gestures, and everything that would hurt their service; yet encouraging the humble, careful traveller, speaking a word in season to them that are weary. And let all dwell in Him who gives ability to labor sucessfully in the Church of Christ, adorning the doctrine they deliver to others, being examples to the believers in word, in conversation, in charity, in spirit, in faith and in purity.
